

Thursday 2/4/2022

Minutes of the meeting of the
Academic Council of the
Communications & Computer Eng. Program

Record number: (130)

Program vision: Achieving leadership in the field of communications and computer engineering and gaining the confidence of the local and regional community in the graduate of the program.

Program Mission: The Computer and Communications Engineering Program at Mansoura University is committed to preparing qualified engineers, scientifically and morally, and professionally professional in the fields of communications and computer engineering, able to compete in the local and regional labor market and conduct scientific research to serve the community and develop the environment.

Program**

On Saturday 12/4/2022 AD at 10:15 pm in the interactive presentation system on the Zoom program, the Academic Council meeting No. (130) for the Communications and Computer Engineering Program was held:

Prof. Mohamed Abdel Azim Mohamed	Dean of the Faculty
Prof. Muhammad Gamal Ibrahim Mahdi	Vice Dean for Education and Student Affairs
Prof. Sahar Sedky Qaddah	Vice Dean for Community Service and Environmental Development
Prof. Sherif Masoud Al-Badawy	Vice Dean for Graduate Studies and Research Affairs
Prof Ahmed Shabban Madian Smara	Professor, Department of Electronics and Communications Engineering (Member
Prof. Sherif El-Sayed Kishk	Professor and Head of the Department of Electronics and Communications Engineering (Member
Prof. Nihal Fayez Fahmy Arida	Program Executive Director
Prof. Amira Yassin Heikal	Head of the Department of Computer Engineering and Control Systems (Member)
Prof. Hossam El Din Salah	Professor, Department of Electronics and Communications Engineering (Member
Dr. Atallah Atallah Muhammad	Instructor, Department of Mathematics and Engineering Physics (Member)

**Mansoura
University**

Faculty of Engineerin

**Communications
and Computers
Engineering.
Program**

Topic 1

Ratification of the minutes of the previous Academic Council No. (129) dated 12/3/2022 AD

Decision: The board approved

Topic 2

Briefing the council on the schedule of Mid-term exams for the second semester of the academic year 2021/2022

Decision: The Board has been informed

Topic 3

Briefing the council of the assignment of the following engineers to participate in teaching courses for the second semester of the academic year 2021/2022 AD and they were selected according to the rules

Name	Adjective	course
Mr. Muhammad Mohsen Al-Khouli	freelance engineer	Capstone Projects

Decision : The Board has been informed

Topic 4

Briefing the council about the academic guidance reports for the month of March of the second semester of the academic year 2021/2022

Decision : The Board has been informed

**Mansoura
University**

**Faculty of
Engineering**

**Communications
and Computers
Engineering.
Program**

Topic 5

The Council briefed the Board on the amendment of the status of the following students from absence to absence with an excuse for the Ibn Al-Haytham system in the exams of some courses for the first semester of the academic year 2021/2022 in the Computer and Communications Engineering Program

Serial	The name	Code	the level	course
1	Amira Metwally Muhammad	800125492	300	management law
2	Abdul Rahman Ahmed Ali Muhammad	805499451	Freshman	Fundamentals of engineering chemistry
3	Esraa Mohamed Nagaty	800162020	200	Signals and systems
4	Ahmed Amir Zain El Abidine	803091209	Freshman	Physics1
5	Mohamed Khaled Mohamed Shaaban	803085273	200	The basics of heat and fluids
6	Adel Ashour travel	70027126	300	
7	Mohamed Ahmed Abdel Jalil Khalil	800136963	300	computer drawing
8	Abdul Rahman Muhammad Hisham	800139570	300	

Decision: The Board has been informed

Topic 6

Briefing the council of the approval issued by the university president's office No. 1843 dated 3/12/2022 for the requirement to train members of the communications and Computers engineering program qualification project for international accreditation, according to what was stated in the contract concluded with the Project Management Unit at the Ministry of Higher Education and Mansoura University

Name	Profession
Prof Nihal Fayez Fahmy Areed	Professor in the Department of Electronics

**Mansoura
University**

**Faculty of
Engineering**

**Communications
and Computers
Engineering.
Program**

	and Communications Engineering and Executive Director of the project
Dr. Atallah Atallah Muhammad Ali	Instructor in the Department of Mathematics and Engineering Physics and Deputy Project Manager

Decision : The Board has been informed

Topic 7

Briefing the council of the approval of the disbursement of the following from the program account

the demand	the amount
Manufacture of 15 pairs of Porsche aluminum plates to complete the deficiencies in the Engineering Physics Complex	_____
Buying a set of color ink for a photocopier unit in the strategic future	_____
Complete the following deficiencies for the Physics Complex 1. 30 sensitive scales 2. 10 light intensity scale	_____
Pay the electricity bill of the programs for the month of January 2022	6615EGP
Disbursing the Excellence Incentive for full-time faculty members and faculty members and the faculty's supporting staff for the month of March 2022	189,400.25EGP
Disbursing an examination stipend for faculty employees for the month of January 2022	27113.50EGP
Disbursing a stipend for exams for college employees for the month of February 2022	28210.56EGP
Disbursing an incentive of excellence for full-time faculty members and faculty members and the faculty's supporting staff for the month of February 2022	119.93EGP
An additional development incentive bonus, especially for Mrs. Sarah Mohamed Ahmed, from the period 1/4/2021 until 30/6/2021	674.95EGP

**Mansoura
University**

**Faculty of
Engineering**

**Communications
and Computers
Engineering.
Program**

Disbursing a stipend for exams for college employees for the month of December 2021	27,309.34EGP
Purchasing tools for optics and smart materials for printing electronic circuits	-----
exchange for Training courses for members of the project to qualify the computer and communications engineering program for international accreditation, according to the contract concluded with the Project Management Unit at the Ministry of Higher Education and Mansoura University 1. Dr Nihal Fayez Fahmy Areeh is a professor in the Department of Electronics and Communications Engineering and the Executive Director of the project 2. Dr. Atallah Atallah Muhammad Ali Instructor in the Department of Mathematics and Engineering Physics and Deputy Project Manager	41,510 EGP

Decision : The Board has been informed

Topic 8

Briefing the council on the student activities report for the first semester of the academic year 2021/2022

Decision : The Board has been informed

Topic 9

The council briefed the council on the holding of a workshop for the faculty members of the program on the course evaluation mechanism , in which Dr Munir Hassan, the national and international accreditation consultant, attended and that will be at seven in the evening on Wednesday , March 30, 2022

Decision : The Board has been informed

**Mansoura
University**

**Faculty of
Engineering**

**Communications
and Computers
Engineering.
Program**

Topic 10

Adoption of the study plan proposal for the 2020 regulations in accordance with the dual degree agreement between the University of Lyuville, Faculty of Speed and Mansoura University, Faculty of Engineering, CCE Program

.Decision: The board approved

Topic 11

Briefing the council on the acceptance of the 2022 training of student / Amina Hassan Mohamed Azzam (800166691) in space sciences for training in Canada during the summer of 2020

Decision : The Board has been informed

Topic 12

Approving the budget of the Kuwaiti student student / Shaima Qahtan Abdul Wahab Al-Sahhaf, code (806384683).for the second semester of the academic year 2021/2022

Decision: The board approved

Program Executive Director

Prof. Nihal Fayez Areed

Vice Dean for Education and Student Affairs

Prof Muhammed Gamal Mahdy

Dean of the Faculty

Prof. Dr. Mohamed Abdel Azim Mohamed
