**INTERNATIONAL CONFERENCE
ON
ADVANCES IN STRUCTURAL
AND
GEOTECHNICAL ENGINEERING**

Hurghadah , EGYPT

6th to 9th March 2023

First Bulletin (Call for Papers)

[ICASGE'23 \(ekb.eg\)](https://icasge.conferences.ekb.eg/)
<https://icasge.conferences.ekb.eg/>

INVITATION

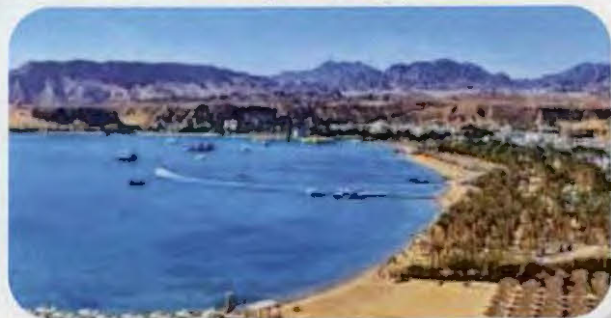

After the great success of the previous three conferences ICASGE15, ICASGE17 and ICASGE19 held in Hurghada, Egypt, the Structural Engineering Department of Tanta University has the great pleasure to invite you to participate in the next International Conference on Advances in Structural and Geotechnical Engineering (ICASGE'23) to be held in Hurghada, Egypt during the period of March 6 to 9, 2023. The ICASGE'23 shall provide a platform for exchange of ideas and discussions on topics related to advances, innovations, new technologies in Structural, Geotechnical and Construction Engineering. The conference is an outstanding opportunity for senior and young engineers, academics, researchers and scientists from Egypt, the region and overseas to share and to exchange their knowledge and experiences.

TECHNICAL PROGRAM

The technical program of ICASGE'23 includes Key-note lectures, panel discussions, and parallel sessions for oral presentations. The organizing Committee of ICASGE'23 welcomes also session proposals for interesting and innovative topics. Accepted papers in the conference shall be included in the CD-Proceedings of the conference. An abstract volume shall be distributed on the participants.

VENUE

The ICASGE'23 Conference will be held in 5 stars Resort located at Hurghada, Egypt .

THEMES

- Renewable Energy Structures and Foundations
- Computational Geomechanics
- Soil Behavior and Modeling
- Ground Improvement
- Problematic Soils
- Design with Geosynthetics
- Geothermal Energy
- Tunnels Underground Constructions
- Environmental Geotechnics
- Seismic Geotechnics
- Rock Mechanics
- Offshore Geotechnics
- Soil-structure Interactions
- Structural Stability
- Steel and Composite Structures
- Cold-formed structures
- High-strength and other steels
- Dynamics and vibration
- Steel Design and codification
- Aluminum Structures
- Fatigue and fracture
- Innovative Structural Conservation, Repair and Strengthening
- Reinforced Concrete Design and Codes
- Innovative Repair Materials and Strengthening Techniques
- Sustainable and Green Construction Materials
- Durability and Life Prediction of Structures
- Structural Health Monitoring
- Fabrication and Construction
- Innovative Structures
- Construction Planning and Scheduling
- Safety, Quality and Environmental Management
- Risk Analysis and Decision Making
- Building Information Modeling (BIM)

IMPORTANT DATES

Abstract Submission is now open

Final Submission of Abstract

6 Nov 2022

Paper Submission

31 January 2023

Final Submission of Final version of Paper

19 February 2023

Submission of Power Point Presentation

1 March 2023

REGISTRATION FEES*

(Including 3 nights all inclusive accommodations)

	Before 1 August 2022	No Later than 1 February 2023 (To secure accommodation)
Full Registration	\$750	\$800
Students	\$500	\$550
Accompanying Persons	\$600	\$650

*Rates are based on accommodation in a double occupancy

السادة اعضاء نقابة المهندسين المصرية من داخل جمهورية مصر العربية

المشاركة والاقامة بقرعة مزدوجة 5000 جنيه مصري

لطلاب الدراسات العليا 3500 جنيه مصري

المشاركة والاقامة بقرعة فردية 6500 جنيه مصري

لتزيد من المعلومات برجاء الاتصال بنا عن طريق البريد الالكتروني

NEAREST INTERNATIONAL AIRPORT

International Participants can come directly to Hurghada airport or via Cairo. Free transportation will be provided from Hurghada airport to the listed hotel and vice versa on 1st and last day of the conference.

SOCIAL PROGRAM

A memorable social program shall be offered to participants, accompanied persons, spouses and guests. Details of the social program of ICSGE'23 shall be announced in the website of the conference.

EXHIBITION

An exhibition shall be organized during the conference.

SPONSORS

Tanta University

Faculty of Engineering

ACI – Egypt Chapter

Egyptian Geotechnical Society

Other Sponsors shall be announced latter

CORRESPONDENCE

For any questions, queries or comments contact us at:

E-mail: icasge@unv.tanta.edu.eg
