APPLICATION GUIDELINES
JAPANESE GOVERNMENT (MONBUKAGAKUSHO·MEXT) SCHOLARSHIP FOR 2015
(UNDERGRADUATE STUDENTS)

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) offers scholarships to international students who wish to study at Japanese universities as undergraduate students under the Japanese Government (MEXT) Scholarship Program for 2015 as follows.

1. FIELDS OF STUDY

Those who wish to study in Japan as an undergraduate student must choose a field of major from (1) or (2) below. Applicants may enter a first, second, and third choice.

(1) Social Sciences and Humanities

Social Sciences and Humanities-A: Laws, Politics, Pedagogy, Sociology, Literature, History, Japanese language, and others.

Social Sciences and Humanities-B: Economics, and Business Administration.

Note 1: Applicants who wish to major in the fields categorized as "others" may have difficulties in finding universities that can accept them.

Note 2: Major field content related to "Economics" and "Business Administration" of Humanities B is not included in "others."

(2) Natural Sciences

Natural Sciences-A: Science (Mathematics, Physics, Chemistry), Electric and Electronic Studies (Electronics, Electrical Engineering, Information Engineering), Mechanical Studies (Mechanical Engineering, Naval Architecture), Civil Engineering and Architecture (Civil Engineering, Architecture, Environmental Engineering), Chemical Studies (Applied Chemistry, Chemical Engineering, Industrial Chemistry, Textile Engineering), and other fields (Metallurgical Engineering, Mining Engineering, Maritime Engineering, Biotechnology).

Natural Sciences-B: Agricultural studies (Agriculture, Agricultural Chemistry, Agricultural Engineering, Animal Science, Veterinary Medicine, Forestry, Food Science, Fisheries), Hygienic studies (Pharmacy, Hygienics, Nursing), and Science (Biology).

Natural Sciences-C: Medicine, and Dentistry.

Note: A student who intends to major in Natural Sciences and would like to choose more than one major is required to choose and select first-, second-, and third-choice subjects from the subjects in brackets from within the same course (i.e. Natural Sciences A, B or C). However, a student who selects Course C as his/her first choice may choose his/her second-choice subjects from Course B or C and third-choice subject from Course B because Course C offer only two subjects.

2. QUALIFICATIONS AND CONDITIONS

(1) Nationality:

Applicants must have the nationality of a country which has diplomatic relation with the Japanese government. Stateless persons can be applicants, to Applicants who have Japanese nationality at the time of application are not eligible. However, applicants of dual nationality who reside outside of Japan eligible only if they will expatriate from Japan by the time of arrival in Japan. Applicants screening will be made at the Japanese Embassy/Consulate-Gener (hereinafter, referred to as "Japanese diplomatic mission") in the country applicants' nationality.

(2) Age:

Applicants generally must have been born between April 2, 1993 and April 1998.

(3) Academic Background:

Applicants must either have completed a 12-year regular course of school education or have graduated from a school equivalent to an upper secondary school in Japan. (Applicants who will meet the above qualifications by March 2015 are included.)

Note: Applicants who satisfy entrance eligibility for a Japanese university are also included.

(4) Japanese Language:

Applicants must be willing to learn the Japanese language and deepen their understanding on Japan. In addition, in general, applicants must be willing to receive college education in Japanese.

- (5) Health: Applicants must be physically and mentally healthy enough to pursue study at a university in Japan.
- (6) Arrival in Japan: In principle, applicants must be able to arrive in Japan between the 1st and 7th of April 2015. In case where an applicant starts from the fall semester through direct placement, he or she must be able to leave for and arrive in Japan by the date specified by the accepting university.
- (7) Visa Requirement: Selected applicants must acquire "College Student" (ryugaku, 留学) visas before entering Japan. The visas should be issued at the Japanese diplomatic mission, located in the country of applicants, nationality.

Note: Applicants who change their resident status to any status other than "College Student" after their arrival in Japan will immediately lose their status as Japanese government scholarship student.

- (8) Applicants who meet any or all of the following conditions are not eligible. If identified after acceptance of the scholarship grantees, the applicants will be required to withdraw from the scholarship:
- ① If applicant is a service member or a civilian employee registered on the active military list at the time of his/her arrival in Japan;
 - ② Those who cannot arrive in Japan during the period designated by MEXT or the accepting university;
 - ③ If an applicant is a previous recipient of a Japanese government scholarship. Unless more than three years have passed since the first day of the month following the final payment of the previous scholarship, as of April 1, 2015 (In case where the student starts from the fall semester, the month of entrance.);
 - ④ If Applicant is, in principle, currently enrolled in a Japanese university with the resident status of "College Student," or will be enrolled in a Japanese university as another source or self-financed international student between the time of application for this scholarship in his/her country and the time the scholarship period is due to begin. This does not apply to current self-financed international students at Japanese universities who will complete their courses of study and return to their countries before the end of the current year;
 - ⑤ If an applicant is a grantee of a scholarship from any organization (including any governmental organization of his/her own country) other than the Japanese government (MEXT) (Prospective beneficiaries are included);
 - ⑥ Applicants who are expected to graduate at the time of application and, cannot satisfy the qualifications and the conditions of academic background by the deadline given; or
 - ⑦ Applicants of dual nationality who cannot prove their expatriation of the Japanese nationality by the time of arrival.

3. TERM OF SCHOLARSHIP

- (1) Scholarship awards will be tenable for five years from April 2015 to March 2020, including one-year preparatory education in the Japanese language and other subjects due to be provided upon arrival in Japan. For scholarship grantees majoring in medicine, dentistry, veterinary medicine or a six-year course in pharmacy, the term of scholarship will be seven years until March 2022.
- (2) The preparatory education requirement can be waived for grantees who have sufficient knowledge of the Japanese language to pursue their study or who wish to enter a university which demands no Japanese language ability (via direct placement). In this case, the awards will be tenable for four years (or for six years for those majoring in medicine, dentistry, veterinary medicine or in a six-year course in pharmacy). If a grantee graduates earlier or withdraws from his/her undergraduate course for early college entrance, the awards will be tenable until his/her graduation or withdrawal.
- (3) The term of scholarship in case of direct placement will start from the time of entrance to the university, taking into account the circumstances of the accepting university.
- (4) In regard to six-year majors in Pharmacy, the grantees must undergo the common examinations (CBT= Computer-based Testing, OSCE= Objective Structured Clinical Examination) implemented prior to practical training. In cases when it is impossible for the grantees to fulfill the set standards necessary for practical training, the scholarship may be cancelled.
- (5) If a grantee graduates from an undergraduate course and is admitted to a master's course at a graduate school during the term of his/her scholarship, he/she may have the term extended upon successful examination by MEXT provided that he/she has outstanding academic achievement that meets certain criteria. The scholarship will be discontinued if approval is not granted.

4. SCHOLARSHIP BENEFITS

(1) Allowance: Each grantee will be provided monthly with 117,000 yen. An additional monthly stipend of 2,000 or 3,000 yen may be provided to those undertaking study or research in specially designated regions. However, the amount of allowance will be subject to change, however depending upon the annual budget for each year. The scholarship will not be paid to a grantee who takes a leave of absence or is long absent from the assigned university or the preparatory Japanese-teaching institution.

The scholarship will be cancelled for a grantee in the following cases. Furthermore, if scholarship payments were made during the period the following cases applied, the grantee may be ordered to return scholarship payments received during that period:

- ① If any of his/her application documents is found to be falsely stated;
- ② If he/she is in breach of his/her pledge made to the Minister of MEXT;
- ③ If he/she is subjected to disciplinary action such as expulsion or removal from register by his/her university or the preparatory Japanese-teaching institution;
- ④ If it becomes definitive that the grantee will not be able to graduate (or complete his/her course) within the standard course term because of his/her poor academic achievement or suspension;
- ⑤ If his/her resident status of "College Student" as provided for in Paragraph 1-4 of Appendix to the Immigration Control and Refugee Recognition Act changes to any other status;
- ⑥ If he/she is provided with another scholarship (except for a scholarship designated for research expenses); or
- ⑦ If he/she proceeds to a higher level of education without receiving approval for an extension of the term of the scholarship.

(2) Traveling Costs

- ① Transportation to Japan: Each grantee will be supplied generally, according to his/her itinerary and route as designated by MEXT, with an economy-class airplane ticket from the international airport nearest to his/her place of residence* to the New Tokyo International Airport or any other international airport that the assigned university usually uses. Expenses such as inland transportation from his/her home address to the international airport, airport tax, airport usage fees, special taxes on travel, or inland transportation within Japan will NOT be supplied. (*The address in the country of the recipient's nationality stated in the application form is in principle regarded as the recipient's "home address.").

Note: Those who cannot arrive on the day that is described in "2. QUALIFICATIONS (6) Arrival in Japan" shall not be paid the travel expenses coming to Japan.

- ② Transportation from Japan: The grantee who returns to his/her home country within the fixed period after the expiration of his/her scholarship will be supplied generally, upon application, with an economy-class airplane ticket for the travel from the New Tokyo International Airport (or any other international airport that the appointed university uses as a normal route) to the international airport nearest to his/her home address.

Note 1: If a grantee returns home without an extension though having applied for extension of scholarship period, he/she will not be paid travel expenses to return home in general.

Note 2: Insurance premiums for travel to/from Japan shall be borne by the grantee.

Note 3: If a grantee stays in Japan and gets a job after the scholarship period has ended, he/she will not be paid travel expenses to return home as the temporary return.

- (3) School Fees: Fees for the entrance examination, matriculation and tuition at universities will be paid by the Japanese Government.

5. SELECTION

- (1) In cooperation with the governments of the applicants' countries the Japanese diplomatic mission will conduct primary screening of applicants by means of submitted application documents, interviews and academic examinations.

[Subjects for examination]

For applicants for a major in Social Sciences and Humanities:

All applicants must sit for mathematics, English, and Japanese (3 subjects in all).

For applicants for a major in Natural Sciences:

All applicants must sit for mathematics, English, two subjects selected from among physics and biology, and Japanese (5 subjects in all). For selecting two from physics, chemistry and biology applicants must choose

physics and chemistry when applying for Natural Sciences A; and
chemistry and biology when applying for Natural Sciences B or C.

- (2) Results of primary screening will be notified to each applicant on the date designated by the Japanese diplomatic mission.
- (3) Applicants who have been selected by this primary screening will be recommended to MEXT.
- (4) MEXT will conduct final selection of the recommended applicants and decide scholarship grants. MEXT may select candidates from each field of study.

6. PREPARATORY EDUCATION PRIOR TO PLACEMENT AT UNIVERSITY

- (1) Preparatory Education prior to Placement at University:

Each grantee will be enrolled at a preparatory school (either in Tokyo University of Foreign Studies or Osaka University) designated by MEXT for a one-year intensive course in the Japanese language and other subjects necessary for preparation for proceeding to university. The preparatory course will last one year. Its curriculum mainly consists of education in the Japanese language, and other subjects such as Japanese affairs, mathematics, English, and social studies for those majoring in Social Science and Humanities, and physics, chemistry and biology for those majoring in Natural Sciences. grantee will not be allowed to proceed to university if he/she is determined incapable of completing the prescribed course at the preparatory school. (He/she will be required to return home if such a determination is made.) This preparatory education requirement can be waived for a grantee who has sufficient knowledge of the Japanese language to pursue his/her study at university or who wishes to proceed to university without the Japanese language requirement (via direct placement).

- (2) Change of Major Field of Study: A grantee will not be permitted to change his/her major field of study between Social Sciences, Humanities and Natural Sciences, or between Social Sciences and Humanities A and B, or between Natural Sciences A, B, and C.
- (3) Subjects to be Studied: A grantee must study compulsory subjects as determined by the preparatory school even if he/she has already studied them at a university of his/her home country.

7. UNIVERSITY EDUCATION

- (1) Entrance into University: A grantee who has completed the preparatory education will be placed at a university designated by MEXT upon passing its entrance examination. The university whose examination a grantee will take will be decided by MEXT in consultation with the university and the preparatory school. MEXT will give comprehensive consideration of the results of the academic examination at the primary screening held in his/her home country, academic performance at the preparatory school, the grantee's proposed major subject, and the receiving capacity of the university. No objection by the grantee will be allowed.
- (2) Academic Year: The academic year begins on April 1 each year and ends on March 31 the following year.
- (3) Language Used in Education: All classes will be given in the Japanese language (except where necessary). A grantee is placed at a university which requires no Japanese language proficiency.
- (4) Degree of "Gakushi" (Bachelor's Degree): If a grantee attends the designated university for the prescribed number of years and earns the required number of credits as determined by the university, he/she will be awarded the degree of "Gakushi."
- (5) Change of Major Field of Study and Subjects to be Studied: 6 (2) and 6 (3) above will apply.

Note: For direct placement of a grantee at a university, MEXT will decide the recipient university after discussion with prospective universities. An applicant desirous of direct placement at a university without preparatory education, and if the desired university does not require Japanese language proficiency, his/her application will be rejected by MEXT. If you want to apply for direct placement, be careful in selecting the university, faculty and school and their capacity to receive students. For further information on universities capable of receiving students by direct placement, please inquire at the Japanese diplomatic mission.

8. APPLICATION PROCEDURE

Applicants must submit the following documents to the Japanese diplomatic mission by the required date. The submitted documents will not be returned.

	(Original)	(Copy)
(1) ①Application Form (by the prescribed forms)	1	
(2) ②Placement Preference Form (prescribed form for applicants for direct placement only)	1	
(3) Photographs (4.5 cm x 3.5 cm, Upper body, Full-faced, Uncapped) taken within the past 6 months (name and nationality should be written on the reverse; photo to be pasted onto the application documents. Digital photographs also acceptable)	2	
(4) ③Academic transcript for the past 3 years	1	
(5) ④Recommendation from the principal or the adviser of the last school attended	1	
(6) ⑤Graduation certificate of the last school attended (or certificate of expected graduation for an applicant due to graduate)	1	
(7) ⑥Certificate of passage of university entrance qualification examination (if applicable)	1	
(8) ⑦Certificate of enrollment (for an applicant currently enrolled in a university)	1	
(9) ⑧Medical certificate (on the prescribed form)	1	
(10) ⑨Essay	1	
(11) ⑩Copy of your ID or Passport	1	

Note 1: These documents must be written in Japanese or English. A document written in any other language must be attached with an English or Japanese translation.

Note 2: For attached photo, copy of the paper medium is not acceptable. It is acceptable to paste the data of photo each application form and print it. (To print your photos and paste it on the application form is not allowed.)

9. NOTES

- (1) All grantees are advised to learn the Japanese language and have basic knowledge about the weather, climate, customs, and university education in Japan as well as about the differences between the Japanese legal system and that of his/her home country before they leave for Japan.
- (2) Grantees should bring the approximate equivalent of US \$2,000 to cover immediate needs after their arrival in Japan since the scholarship allowance will be paid a while later.
- (3) Accommodations:
 - ① During the period of preparatory education, grantees can reside in the residential accommodations: Tokyo University of Foreign Studies or Osaka University, where they are enrolled.
 - ② Residence halls for international students established by national universities
At present, the national universities have residence halls available for international students. Grantees enrolled at national universities where such facilities are available may reside, if they desire, at these residence halls under prescribed conditions. However, these facilities may not be able to accommodate all the students who wish to live there.
 - ③ Private boarding houses or apartments:
Those who are not able to find accommodation in the aforementioned facilities may live in the dormitories of the university or in a private boarding house/apartment.
It is very difficult for grantees with dependents to find appropriate housing in Japan. The grantee is advised to arrive in Japan alone first to secure housing before having his/her spouse and/or family come over to Japan.
- (4) The English texts attached to the Application Guideline and the Application Form are for convenience only. English expressions do not change the Japanese content, so if you have any questions about the content of the written text, you should inquire at the Japanese diplomatic mission.
- (5) More detailed information on this scholarship program is available at the Japanese diplomatic mission in your country.
