## WORLD TECHNOLOGY PARTNERS

### Announces

### our 2025 Competition -

### Creating a Better Tomorrow

Handwritten Arabic text: "تفضل على موقع الويب" and "أشكركم على جهودكم" with a signature and date "12/8".

Technology Innovators, Educators and Students,

We are happy to announce our **Annual Competition - Creating a Better Tomorrow**. Participants are encouraged to explore solutions to pressing issues such as climate change, hunger, transportation systems, and other crises. Submissions addressing these concerns will be highly considered.

The 2025 World Technology Partners Competition encourages the support of students in research, teaching and other scholarly activities in Technology and/or the Sciences. Honorariums of \$1,000 as well as mentoring opportunities and visibility will be awarded towards projects (IP Sheltered and Protected) that relate to World Technology Partners global strategic efforts in the **following regions: Africa, Asia/Pacific, Central America/Mexico, Eastern Europe, and South America.** Guidelines for the easy submission form (8 essay questions) are available as a Google form. **Our deadline is October 10th.** We hope you can take advantage of this program and/or forward this message to your colleagues and others. Thank you in advance for your assistance.

Remember, if you want to unsubscribe just hit reply and write unsubscribe and we will promptly remove you from our list.
