Colleagues,

We are sharing travel support grants for the upcoming Urban Logistics Summer School in Antwerp. If interested, please see the details in the email below and in the attached poster.

Urban Logistics Summer School in Antwerp:

From June 30th to July 4th, the University of Antwerp organizes its 8th Summer School on Urban Logistics. Enjoy a full week program featuring lectures by leading scholars in the field, excursions, policy debates, and workshops. Come and enjoy Antwerp in the summer while gaining a comprehensive understanding of the latest developments shaping urban logistics!

We are pleased to announce the continued support of the Volvo Research and Educational Foundations (VREF). VREF will sponsor five candidates with a grant of 35,000 SEK each to attend the summer school, covering travel, accommodation, and registration costs.

Interested candidates must register through the online portal and submit a motivation letter to joris.beckers@uantwerpen.be by **February 20 at noon CEST**.

Selected grantees will be notified of their acceptance by **February 26**. To receive the grant, they must complete their online registration, including payment, and show proof of **visa application process by March 15**.
