

MEPCON'15

17th International Middle East Power Systems Conference (MEPCON'15)

15-17 December, 2015

www.mepcon2015.org

El Mansoura, Egypt,

International Middle East Power Systems Conference is one of the major conferences in the field of electric power systems. The conference will include workshops, panel discussions and technical papers. Distinguished speakers are invited to share their updated technical experience with the conference attendees.

The objective of the conference is to present academic and technological progress in key areas of electric power engineering and related subjects. It will provide a forum for national and international university faculties, research institutes, industry and utility engineers to exchange new concepts and challenges for the future.

Sponsors

1. Mansoura University, Faculty of Engineering
2. Ministry of Electricity and Energy
3. Ministry of Education and Scientific Research
4. IEEE Egypt Section

Preferred topics include the following:

1. Smart Grid
2. Distributed Generation and Microgrids
3. Electrical Machines and Drives.
4. Power System Planning, Stability, Operation and Control.
5. Power Systems Security.
6. FACTS and HVDC Transmission Systems.
7. Power System Protection.
8. High Voltage Engineering.

9. Power Electronics Applications.
10. Energy Pricing and Power Market Deregulation.
11. Power Quality.
12. Artificial Intelligence Applications in Power Systems.
13. Renewable Energy Systems and environment impacts.
14. Modeling, simulation and optimization.
15. Power and Energy Engineering Education

Proposed Conference Program:

1. Keynote Lectures
2. Tutorial Sessions
3. Panel Discussions
4. Presentation Sessions
5. Poster Sessions
6. Exhibition
7. Technical and social visits

Deadlines

Submission of full papers: Aug. 15, 2015
Notification of acceptance: Oct. 01, 2015
Submission of final manuscript: Nov. 01, 2015

Conference Steering Committee

1. Prof. Dr. Roshdy Radwan, Cairo University
2. Prof. Dr. Ibrahim Megahed, Alexandria University
3. ProfDr. Farouk Ismail, Cairo University
4. Prof. Dr. Sayed A. Hassan, Monefia University
5. Prof .Dr. Mohamed K. El-Sherbiny, Assuit University
6. Prof. Dr. Mazen Abdel-Salam, Assuit University
7. Prof.Dr. Mohamed A. Tantawy, Mansoura University
8. Prof. Dr. Hussein Anis, Cairo University
9. Prof. Dr. Omar H. Abdalla, Helwan University
10. Prof.Dr. M. A. Izzularab, Monofeya University
11. Prof. Dr. Hassan H. El-Tamaly, Minia University
12. Prof. Dr. Hassan Dorrah, Cairo university
13. Prof.Dr. Nabil Al Abbasi, Alexandria University
14. Prof. Dr. Almoataz Youssef Abdelaziz , Ain Shams University

International Advisory Board

1. Prof.Dr. CONEJO , Antonio; Editor-in-chief, IEEE Trans.
2. Prof. Dr. John Morrow, Queen's University, Belfast.
3. Prof. Dr. EDRIS, Abdel-Aty, Quanta Technology, USA .

Conference Venue

Papers

Prospective authors of technical contributed papers are asked to submit up to 6 pages on double column **IEEE format** (www.ieee.org) and follow the IEEE PDF Requirements for creating PDF documents for the IEEE Explore. Both word and PDF files are needed for submission. For detailed format information, please visit the conference website.

Registration Fees, excluding Accommodation

1. *International Participants*

Participants	Early Registration	Late Registration
IEEE Members	US\$ 500	US\$ 600
Non-IEEE Members	US\$ 600	US\$ 700
Student	US\$ 400	US\$ 500

2. *National Participants*

Participants	Early Registration	Late Registration
IEEE Members	L.E. 750	L.E. 800
Non-IEEE Members	L.E. 850	L.E. 950
Student	L.E. 500	L.E. 550
Group Participants, Non-authors (5 persons)	L.E. 650/person	L.E. 700/person

Final manuscripts exceeding six pages and up to 8 pages will be subjected to publication extra page charges of L.E 50 per page for national participants and US\$ 50 per page for international participants.
